Hassle Helper: if Jeeves had a baby with Suze Orman

Each of your team member loses over 40 workdays (17%) to the hidden tax of managing life's hassles.

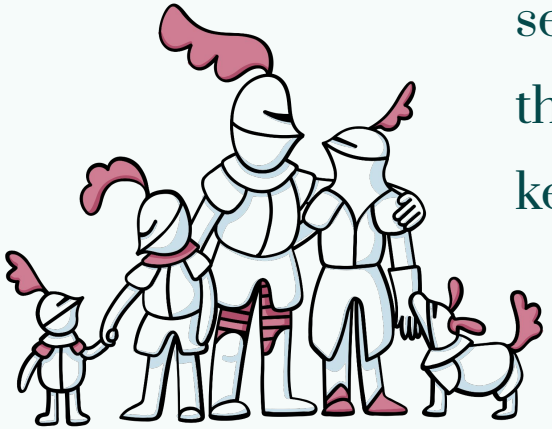

Hassle Helper reduces the hidden tax on productivity through a *digitally enabled human assistant* to tackle life's annoying hassles. Like...

- Household repair
- Suspicious charges
- Car repairs
- Credit monitoring
- Insurance issues
- Travel issues
- Identity restoration
- And many more...

Pocketbook Protector: like giving your people their very own CFO

11% of the workforce will face financial hardship by an unexpected, but completely avoidable expense
9% of wages are wasted on unused services and overpayments.

We've sifted through hundreds of products and services to save your people money and cherry-picked the best. With negotiated partnerships, your team can keep their money for what matters most

- Home repairs
- Visits to the vet
- Lost income
- Medical expenses
- Legal services
- Debt support
- Fertility treatment
- Cancel subscriptions
