ADDING OVERALLS *LIFECONCIERGE*™ TO JUSTWORKS

Simply follow the steps below for adding a Custom Benefit to JustWorks so your employees will have easy access to Overalls as part of their benefits package

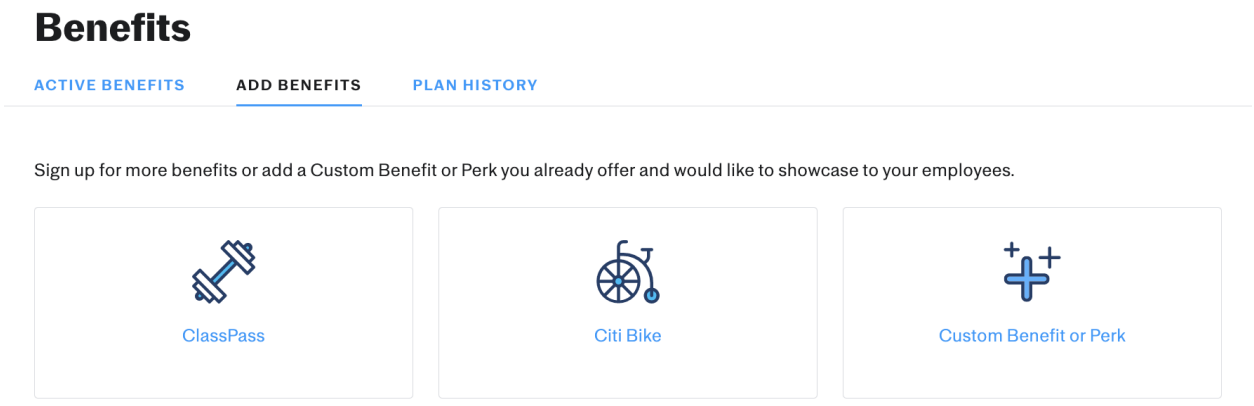

1. From the homepage, use the left navigation benefit to find HR and select "Benefits"

2. At the top of the Benefits page, select the blue text that says "Add Benefits"

3. Then below choose the Tile Selection "Custom Benefit or Perk"

4. From here you will be prompted to set up your custom benefit for Overalls. We have prefilled the required information for you, simply copy & paste the following information and you'll be set!

TYPE:
select “Benefit”

TITLE:
Overalls LifeConcierge: from To-Do’s to Ta-Da’s

PROVIDER:
Overalls, Inc.

DESCRIPTION: ***paste the following***

Ever wish you could wave a magic wand and suddenly make life easier? You can with your LifeConcierge™, a new benefit at no cost to you that saves you real time by tackling distractions and decisions that waste valuable time and energy. Your LifeConcierge™ can help you when it really counts — those life moments when we could all use a helping hand.

From unexpected hassles to celebrating major milestones, use your LifeConcierge™ to simplify complicated financial and insurance decisions, handle time-draining tasks, research best-in-class vendors, and to advocate on their behalf. Here are just a few examples how:

Navigate tricky situations:
Home repairs, car problems, pet help, disputing a charge, finding a service provider.

Cut through the red tape:
Selecting benefits, questions about finances and insurance, picking a credit card.

Starting a new chapter:
Moving, buying a new house, welcoming a newborn, adopting a pet, wedding prep.

Our capabilities are driven by your asks – in other words, your wish is our command!

Simply sign-up at at no cost to you:
