Overalls LifeConcierge

Relax, you've got Overalls

Open Enrollment Checklist

❑ **Review Current Benefits:**

Examine your current benefits package and note any changes or updates for the new enrollment period.

❑ **Understand New Plan Options:**

Review the different benefit options available for the upcoming year. Pay attention to changes in coverage, premiums, and any new plans offered.

❑ **Compare Plans:**

Use comparison tools or resources provided by your company (your Overalls LifeConcierge can help here!) to evaluate how different plans fit your needs, including health, dental, vision, and other benefits.

❑ **Consider Your Needs:**

Assess any changes in your personal or family situation that might affect your benefit choices, such as new dependents, changes in health needs, or significant life events.

❑ **Prepare Questions:**

Make a list of questions or concerns about your benefits or the enrollment process.

❑ **Reach Out to Your LifeConcierge:**

Contact your LifeConcierge for personalized assistance with:

Understanding different benefit options.

Comparing plans based on your specific needs.

Finding in-network providers or services.

Resolving any issues
