Monthly Check-In

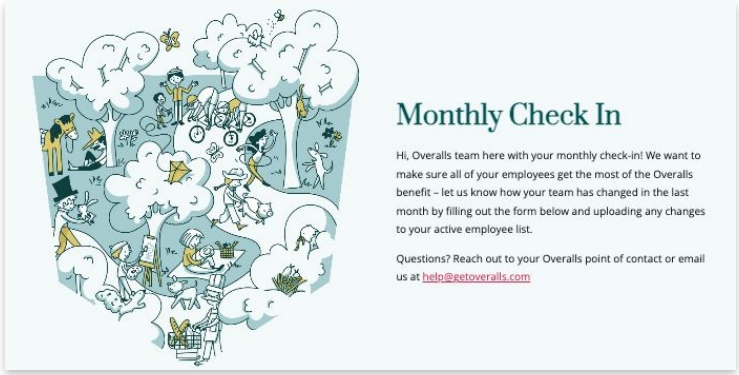

UPDATES TO ACTIVE EMPLOYEE LIST

Easy as 1, 2, 3...

1. We'll send you a note around the 5th of the month requesting your active employee change file

2. Upload a file with a list of employees that have started or terminated in the last 30 days - Upload roster updates here

3. New employees will get added to the Overalls registration campaign, terminated employees will be removed from your account*

**Note terminated employees will still have access to any policies that they purchased through Overalls*

Forgot to add an employee? No sweat. Any employee can sign up for Overalls at any time using the sign up link. Be sure to include the Overalls benefit information in your new hire materials!
