What Is MemberAssist?

MemberAssist, powered by Overalls, helps members manage everyday tasks—saving time and reducing stress. From finding a contractor, scheduling appointments, to arranging elder care. Members submit a request, and MemberAssist handles the rest.

It's also a **single source for benefits**:

> FEA, NEA, AFT, CBE & Local Benefits
> District Health & Voluntary Benefits
> Find in-network doctors, schedule visits, & more!

How It Works

1. **Submit a Request:**
   Via app, text, email, or phone—ask for anything from auto help to vacation planning.

2. **We Take Over:**
   Real U.S.-based experts (not bots!) do the research, make calls, and schedule what's needed.

3. **Done for You:**
   Updates provided throughout. MemberAssist ensures it's completed—professionally & confidentially.

Why It Matters

- **Saves Time** – Focus on teaching, not tasks.
- **Reduces Stress** – Skip the hold music and Google searches.
- **Confidential Support** – Expert help with care and discretion.
- **Improves Well-Being** – More time for what really matters.

The Overalls Difference with MemberAssist

Unlike AI or call centers, Overalls gives your Members **personalized, human help**. It's a union-branded, high-touch solution that shows Members: **"We've got your back—on and off the job."**
